Dear Permittee,

Enclosed you will find your invoice for the 2012 harbor season. We are pleased to announce that for the upcoming season, we have kept the rates for all mooring buoys and star docks as well as stalls at Montrose, Diversey, 59th Street, Jackson Inner and Jackson Outer at the 2011 rate. Only 30% of our boaters, on slips in our highest demand harbors, will see rate increases of 3% or less.

- The construction of new floating washrooms for Belmont, Burnham, Diversey and Jackson Park Outer Harbors is underway and they will be ready for the 2012 season. JPO dredging and other improvements at 59th Street are scheduled for early in 2012 as well.
- Construction of our newest harbor at 31st Street is on schedule and will open in May of 2012.
 - ▶ If you had a transfer or application asking for 31st Street as your first choice, you have already received that assignment.
 - ▶ If it was not your first choice and wish to transfer there, just send us an email, fax or letter indicating that you wish to amend your transfer for 31st Street as your first choice.
 - ▶ If you did not put in a transfer to 31st Street but would like to do so now, just fill out a transfer request and we can assign you right away. We have slips available from 27 to 70 feet.
- Remember, invoice payments are due in full by February 15th. Invoices paid after February 15th until February 29th will be assessed a \$75 late fee. After February 29th, you will forfeit your mooring assignment.
- All invoices must be paid by a permit holder only. We will not accept payment from any persons not listed as the permittee or a partner on file with the Chicago Harbors office.
- As we announced this summer, additional parking cards purchased in 2011 can be renewed at the 2011 rate (\$250 for second and \$350 for third cards) if you pay for them on this invoice prior to March 1st.
- If you do not wish to renew the parking card with your invoice, you can still purchase them at your harbor office at the 2012 rate. Second parking cards will be \$275 and third cards, where available, will be \$375.
- If you pay for the card with your invoice, but lose the card, there will be a \$25 replacement fee.

Sincerely,

The Chicago Harbor Staff
