

INTRODUCING ANNUAL CONTRACTS

For the upcoming season we are revising our incentives offered to some harbors last year as well as introducing an incentive for other harbors. In 2014 we will be offering annual contracts for combined summer mooring and winter storage.

The annual contract allows customers who keep their boat in the Chicago Harbors to make three payments from February to July. Furthermore, 31st Street, 59th Street, Jackson Park Inner and Jackson Park Outer boaters can receive a 15% discount and Montrose, Belmont, Diversey, DuSable, Monroe and Burnham boaters can receive a 5% discount. The discount is applied to both the winter storage fee and your base mooring fee.*

If you are interested, please fill out the form on the back and return it by February 7, 2014. We will send you further information with your specific payment schedule within two business days.
