

New Applicant Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

If you contact us regarding an application, please refer to it by the date of the application, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive an assignment and are removed from the list or withdraw applications.

To search this document in Adobe Acrobat, click on the **Search** icon in the toolbar or select **Search** in the **Edit** menu at the top of the page.

Legend

- Date - Date application was received
- Name - Name of applicant
- Length - Range of length of mooring requested
- Boat Type - Type of Boat

Please note that this waiting list is current as of the date listed at the top of the page. Applications received on that day or later will not be listed.

	We would kindly like the North Side of Montrose harbor - the Harbor office side, preferably the J, K, L East side M slips (L or M best). I was told at the Montrose harbor office today upon visiting that there are a few slips showing available in those areas currently so hopefully that remains to be the case upon assignment for 2019. I also wanted to reserve the larger rectangular storage lock boxes ahead of time and request permission for mounted collapsible umbrella, attaching mooring whips, flat solar powered deck lights, Dock Pro inflatable dock wheel, Plastimo Pier Attached Dock fenders. I will also need 2 30amp connections.							
	1 Montrose - Stall

	This boat was previously moored in Slip D23. If that slip is available, it is my primary preference. If not, I would like to be somewhere on D dock, preferably near the east end of the dock. If D dock is filled, then another dock, such as C dock, is acceptable.
