

Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.

195	Olson, Anthony First preference - the T-head of EE, North side. Second preference: T-head on D would work too or really any T-head South of D/EE docks We only need 60' but put in you will pay for as much space as is available as the docks could be 70' or 80' depending on what slip becomes available.	60	100	0	02/26/19	Power	BSTD041	Vibransea

201	Scharf, Charles I recently transferred to Burnham harbor from Diversey. I realized picked the wrong side within Burnham Harbor, i'd like to be. I would prefer more on the North side than the south side of the harbor. Preferably docks C, D and E would be great. 02/28/19 12:25 PM - Amendment: I dock; South Side of the dock starboard tie up when sterned in. Towards the end/middle of the dock.	35	40	0	02/27/19	Power	BSTO045	Good Vibes
