

Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.

	Currently I am located on H Dock at Belmont Harbor slip number 13. I would like to move to end of the dock near the rest of the sailing community. Near slip 13, there are many power boats who have a good time on the dock and enjoy the harbor. 	I just got transferred to A-5 Dock at Belmont. However, I was unaware that section A are not floating docks, and they are not as wide. This poses a damage hazard to my boat from changing tides, and also too skinny of a walkway for little kids to be safe. Please see what you can do to accommodate my request. If not, I expect a price discount because these docks are lower quality compared to all the others, but are priced the same.
