

# New Applicant Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

*If you contact us regarding an application, please refer to it by the date of the application, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive an assignment and are removed from the list or withdraw applications.*

	Prefer dock e south side towards d dock. 50 amp. If e5 available be great. 01/11/21 08:51 AM - Hi, just a minor update to my waiting list request. I've been at Montrose for 14 years, missed last year for multiple reasons. Hope to come back and get a spot on e dock. Just a minor update to the request, I would really prefer to be on the southside and have an odd numbered spot so I could back in and have the dock on my starboard side. If it all possible, would be greatly appreciated! G dock would be a back up.
