

# Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

*If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.*

**Please note that if a permittee failed to pay their renewal fee by the due date, they have forfeited their previous assignment and any transfers on file have been deleted.**

<p>Requesting the south side of I dock or north side of J dock at Belmont Harbor ONLY.  06/03/21 05:17 PM - Can you please amend my transfer request to request Belmont South side of I dock only  06/07/21 03:02 PM - have decided to amend my transfer request once again. I am currently on Belmont A1 and submitted a transfer request on May 22. I would like to amend my request to be for the north side of J dock at Belmont Harbor ONLY.  06/08/21 08:45 AM - I would like my transfer request first choice to be Belmont J30 followed by any slip from J21-36. I do not want J37-40. This would be a Belmont inter-harbor transfer, as I am currently located at Belmont A1. Please confirm receipt of this email and amendment to my transfer request made. Thank you.  06/08/21 10:03 AM - . As stated in this morning's email, we would like J30 as a first choice and if that is not available then any slip from J21-36 on the north side of J dock will work as a second choice. We do not want J37-40 or I dock. Our request for J30 should not exclude J21-36 if one of those becomes available. Thank you.</p>

200	Kinzie, Michelle Hello - I am hoping I may be able to move my slip a few spots from current (C70) to C65, as I was told by the Diversey office that C65 is open. If possible, wondering if the change fee can be waived due to the following: 1. Part of the flotation under the current dock spot (C70) is sticking out and is not properly installed. 2. The current dock spot (C70) has the dock ramp running behind it, not leaving enough room to move around. With small children on the boat, I am concerned that someone may fall between the boat and the dock given the ramp takes up some of the space on the dock behind the boat.	30	30	0	06/14/21	Power	CSTC070	Chic Cargo
