

Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.

Please note that if a permittee failed to pay their renewal fee by the due date, they have forfeited their previous assignment and any transfers on file have been deleted.

	We currently have a Mastercraft ski boat but are replacing it with a sail boat and want to move to Belmont because of that. The boat that we re getting is either 48' or 58' We need a slip that is at least 14' to 16' wide to accommodate our lift for our current boat which is why we have a 35' slip now. I would prefer a larger slip to get the width but a 40' is ok if that is available.

	I clicked on yes for side tie, as I'm assuming this is an 'end' spot. If yes, I would be interested in this. Our current spot is D34 in Belmont, FYI, however we're purchasing a new boat that we'd like to move into a 50' slip. Just thought I'd provide that further context.							
	09/06/22 09:18 AM - Thinking back on the transfer request I put in two weeks ago, I inadvertently put Belmont ahead of DuSable. Since we've not been granted a transfer yet out of D34 slip at Belmont, I was hoping you could adjust our first option to DuSable for the 50 or 60' slip. Our second option would then be Belmont.

	In 2022, we occupied stall G42 with our boat. We also had auxiliary spaces at I50 B+C for our 2 jet skis and floating docks. We are looking to put them together in 2 adjoining stalls/slips this year, if possible. We would be good with moving to 35 ft stalls and preferably in the north end. Goal is to have them in the same shared space with 2 adjoining slips.
