

Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.

Please note that if a permittee failed to pay their renewal fee by the due date, they have forfeited their previous assignment and any transfers on file have been deleted.

I am currently at Burnham Harbor slip EA6. I was approved a transfer to O34. I would like to stay at EA6 until a transfer is approved for what I want. I would like a transfer to a slip at Burnham Harbor on the East side of the Harbor with a south dock that has a starboard tie down. 30" is my first choice but I will take a 35" slip if one is available on the east side of the harbor and on the south side of the dock with a starboard tie down. I just transferred from Belmont E33 to G35. There is a power transformer on G35 that will not work with the larger boat I was planning on purchasing. I would like to move back to a 35' dock. As of Friday, I was told E34 is available and would be my first choice. If E34 is no longer available, then F38 would be my next choice.
