

# Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

*If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.*

**Please note that if a permittee failed to pay their renewal fee by the due date, they have forfeited their previous assignment and any transfers on file have been deleted.**

I am in the process of purchasing a new vessel, \*I do not yet have the boat\*, and I \*have currently paid for my current dock EK3\*.

Please transfer to a 35' stall. Ideally:

1. Preference for EH or H docks (ideally not H10)
2. Second preference for O, N, M or L (in order) docks
3. Generally, facing North coming in from the harbor mouth
4. Please do not locate at tight spots for example against the harbor wall (e.g. EK12) or on a T

It's imperative to confirm prior to executing, or that I have a chance to decline if the sale falls through for some reason.

04/10/23 08:46 AM - Please put my transfer request on hold as the seller has cancelled the sale as a result of these delays. I'd like to retain EK-3, and no longer wish to be transferred to a 35 ft dock.

	I want to change my slip (currently E-29) in the North End of Belmont, to a slip in the South End of Belmont Harbor. I am a Chicago Yacht Club member and that South end will be more convenient for me.							
	09/01/23 11:34 AM - Please list my first preference as a swing mooring in the south end of Belmont. Ideally, it would be close to the swing moorings for "Blackfin (Keith Eichenberg)" and "Slap Shot (Scott Sims)" as they are both J-109's like our boat, "Daybreak."							
	Second choice would be a slip/stall in the south end. Tying alongside the dock or at the "T-end" would be acceptable too, even with the additional fee.
