

Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.

Please note that if a permittee failed to pay their renewal fee by the due date, they have forfeited their previous assignment and any transfers on file have been deleted.

Request Beginning Year: 2022 T-Head/Side Tie Spaces: No I'd like a 35' slip in G dock, not number 1,2, or 3. 10/30/23 08:45 AM - I'm writing to amend my transfer request, currently Number 168, submitted 8/9/22, for my 33" sailboat, Punch. I would like to switch to a mooring can in Montrose Harbor; I would strongly prefer not to be too close to the wall (hence not #1,6,11,15,19,23,26,27) and would somewhat prefer not to be right on the main channel (hence not 5,10,14,18,22,25) Failing that, my second choice is still to switch to G dock (other than slips 1,2,3).

I am in the process of purchasing a new vessel, *I do not yet have the boat*, and I *have currently paid for my current dock EK3*.

Please transfer to a 35' stall. Ideally:

1. Preference for EH or H docks (ideally not H10)
2. Second preference for O, N, M or L (in order) docks
3. Generally, facing North coming in from the harbor mouth
4. Please do not locate at tight spots for example against the harbor wall (e.g. EK12) or on a T

It's imperative to confirm prior to executing, or that I have a chance to decline if the sale falls through for some reason.

04/10/23 08:46 AM - Please put my transfer request on hold as the seller has cancelled the sale as a result of these delays. I'd like to retain EK-3, and no longer wish to be transferred to a 35 ft dock.

	09/01/23 11:34 AM - Please list my first preference as a swing mooring in the south end of Belmont. Ideally, it would be close to the swing moorings for "Blackfin (Keith Eichenberg)" and "Slap Shot (Scott Sims)" as they are both J-109's like our boat, "Daybreak."							
	Second choice would be a slip/stall in the south end. Tying alongside the dock or at the "T-end" would be acceptable too, even with the additional fee.

Hello! I'm looking to change from my current mooring at Belmont to a slip on the Southern End of the Harbor by Chicago Yacht Club.

If there aren't any available slips on the southern end, I'll just remain on my existing mooring can for the season.

I am happy with the harbor and my slip. I am just trying to see if I can move to the other side of the harbor closer to the yacht club. I am told the only places on that side (south side) are the T heads. Please let me know if either of those become available.

We have outsized our current slip assignment (40' DuSable slip D51).
 We bought a new 50' boat and really want to stay in DuSable with all our friends and yacht club.
 We will take any slip in DuSable that accommodates a 50' boat, even a much bigger slip in DuSable.
 Our 2nd option is Burnham in a 50' slip, but this is a last resort. Anything you can do to keep us in DuSable and Chicago Harbors would be really appreciated.

My friends own Boaty McBoatface, currently in E74, and they are trying to move to E1. I could then take E74 that they vacate. I would also take any other open slip on E dock for the time being, but being closest to the lot would be ideal.
