

# New Applicant Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

*If you contact us regarding an application, please refer to it by the date of the application, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive an assignment and are removed from the list or withdraw applications.*

	The boat I am looking to purchase is currently at Burnham Harbor on dock O #27. I would like to stay there for the rest of the summer of 2022. It is in an easy location which will allow me to learn this boat and stay out of harms way for myself and other boaters. If a stall is available in Belmont, that would be great as well

	Pursuant to my recent discussions with you regarding a slip, I would like to be put on the waiting list rather than taking the spot currently available in Burnham Harbor. The boat I was buying fell through. So I would like to get on the waiting list for a slip that will fit a 35' boat. I will list my choices below and ranking my first choice as #

	Spoke with Luke (at Monroe) and Gina (at 31st street) about this Leopard Catamaran which is 22 feet wide and 43 feet at waterline. Both said this Boat could fit on a 50 foot mooring buoy and potential in a stall at 31st or Belmont. Thus, I am signing up for the 50 foot mooring bouy and will then work out if can fit in a stall.
