

# Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

*If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.*

**Please note that if a permittee failed to pay their renewal fee by the due date, they have forfeited their previous assignment and any transfers on file have been deleted.**

I know my neighbor to the east is not returning. my request is just to be moved 1 slip over to hers. I do not know how the slips are numbered so I dont know if that is slip N5 (if my side goes N1, N3, N5 etc etc then it would be N5 I want. Just a one space move to the east? I believe) 12/17/24 03:46 PM - Wants to move to N4 or N5. (East side slip next to mine) 05/09/25 08:38 AM - N4 is slip directly east 05/19/25 11:24 AM - I will take anyone of them. Request Beginning Year: 2025 T-Head/Side Tie Spaces: Yes Current Commercial Permit: No Intend to Apply for a Commercial Permit: No  Comments: We need a stall for our new Swan 47-foot sailboat. We are number 68 on the list for a new slip, but if that is not possible this year, we would consider moving from our existing Belmont south side slip # U4 to accommodate the new larger boat. We would rather retain slip U4 so our Tiara 33 can remain in that slip and obtain a new slip for the new 47-ft sailboat, but if we need to sell the Tiara to accommodate the new sailboat, so be it. The new boat is on its way to Chicago, so we need the larger slip for the 2025 season.  Our preferences in order would be -  South Side of Belmont, slip U1 - which could easily handle a 47-foot sailboat (if it has access to electricity for shore power - but no water is necessary) South Side of Belmont T-Head on S, T, or U dock, or any south side slip that can accommodate a 48 ft sailboat Montrose 50 ft stall on N dock Montrose T-Head on O dock Dusable T-Head close to Columbia Yacht Club (G, F, or E dock) Dusble 50 ft stall on B dock - very last choice  1 Belmont - Stall 2 Montrose - Stall 3 DuSable - Stall
