New Applicant Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the "Procedure for Assigning Seasonal Mooring Permits" in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

If you contact us regarding an application, please refer to it by the date of the application, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive an assignment and are removed from the list or withdraw applications.

If we are assigned 31st Street Harbor we would request Slip G88. If G88 is not available we would in that general vicinity.

05/23/23 10:10 AM - At this point we do not plan to keep our boat in the 31st Street Harbor. Instead we currently plan to keep it up in Winthrop Harbor for this summer.
We would like to keep our application on File for the 2024 Season and to continue to be on the wait list for the DuSable Harbor and Burnham Harbors for 2024.
Ideally, we would be able to get into either DuSable or Burnham Harbor next summer.

05/01/24 03:36 PM - I would like to modify my application number 27609 as follows:
1. Continue to stay on the Chicago Harbors Wait List with my
a. 1st Choice being DuSable Harbor
b. 2nd Choice being Burnham Harbor
2. Remove my name from the wait list for 31st Street

	03/20/25 08:39 AM - 2nd reject, waitlist for 2026 season 11/05/25 12:54 PM - Since I am returning customer (I used to be at G48) I would put priority on G dock or if you can get me 50 foot slip at R or F I will take it over G dock as I am planning to bring 41 foot boat this upcoming summer. Per previous harbor master she told me she will allow up to 2 extra feet of boat over dock size for returning customers. So I should be ok with 41-42 foot boat in dock G or R or F (R and F are preferable) I know allocations will be done around Christmas or even after the Christmas .. but I wanted to notify you that I am ready to move in to Burnham harbor this upcoming season as long you can find a space for me Thank you for your reply I would love to get a space for 50 foot slip at Burnham but I believe chances are slim, that's why 40 foot slip is more realistic and I hope you can allow me 1 foot overhang on 40 foot slip considering I was your customer 2001 – 2024 11/05/25 01:34 PM - My first choice Dock F 50ft slip. Commercial (charter): Yes - PWC Rental
We are requesting a full slip (35 ft or larger) for a small personal watercraft operation. We plan to start with 4 jet skis, and if space and approval allow, increase to up to 7 in the future. Our focus is on safety and control, with trained staff, clear operating areas, strict safety rules, and full insurance coverage. We are looking for a location with good visibility and easy access so customers can easily find us and staff can properly supervise operations. At Montrose Harbor, if available, we would be particularly interested in the A-1 to A-3 dock area due to visibility and access. We understand that floating docks are not provided by the harbor. If allowed, we would plan to bring and install our own floating docking platforms, subject to approval. We are committed to following all Chicago Park District and harbor rules and requirements, and we appreciate your time and consideration.

04/23/26 11:27 AM - We understand Montrose will not be available for PWC rentals this season.

We are ready to proceed and would like to be placed at an available harbor location, including Diversey Harbor, Belmont Harbor, 31st Street Harbor, or DuSable Harbor.
